THE HENRY FOUNDATION

CELEBRATING 15 YEARS

In May we celebrated the foundation's 15th anniversary. A special reception was held and we debuted a book documenting the many efforts made possible by the Henry's generosity. The book was written by Mr. Jimmy Patterson.

For much of his first 20 years, Jimmy was a writer and editor for the Midland Reporter-Telegram and continues to provide stories for them since he left in 2009 to pursue the writing of his book, "A History of Character: The Story of Midland, Texas," which was released September 11, 2014.

He has partnered with Mr. Henry on several books including, Henry Resources' development of the Wolfberry, the Willy Nilly & Thumper series, and the most current effort, Focusing Resources to Change Lives.
